

General Clauses of the Single Stock Futures Contract

Under Section 2 of Article 207 of the Securities Code, the EURONEXT LISBON - Sociedade Gestora de Mercados Regulamentados, S.A. (hereinafter EURONEXT LISBON) approved the following General Clauses:

Clause 1

1. These General Clauses contain the special provisions applicable to operations using the stock future contracts representing the share capital of the companies duly identified in the attached Contract Specifications (the "CS"). Each contract is identified in the CS.
2. Each contract equals rights over 100 (hundred) underlying shares, to trading in the Euronext Lisbon market, representing the share capital of each company identified in the Contract Specifications attached.
3. The number of underlying shares of the *Single Stock Future* contracts may be adjusted under the terms that EURONEXT LISBON may come to define.

Clause 2

The contract price is represented in euros per share.

Clause 3

The minimum price variation (tick) of the contract is € 0.0001 (one hundredth of a euro cent).

Clause 4

EURONEXT LISBON may set maximum contract price variation limits in relation to the previous session's settlement price.

Clause 5

Contract expiry months can be traded with a maximum maturity of 12 months, in line with the contract month cycles set by EURONEXT LISBON in the Contract Specifications.

Clause 6

1. The last trading day of each expiry month is the third Friday of the expiry month.
2. If the third Friday of the expiry month is not a business day, the last trading day will be the business day preceding the third Friday.
3. On the business day following the last trading day of a certain expiry month, a new expiry month becomes available for trading.
4. The settlement or maturity date is the business day immediately following the last trading day.

5. EURONEXT LISBON will set and publish, for each expiry month, the first and last trading day and the settlement or maturity date, in line with the rules mentioned above.

Clause 7

At the end of each session, EURONEXT LISBON will determine the daily settlement prices.

Clause 8

The Exchange Delivery Settlement Price (“EDSP”) will be equal to the closing price of the underlying in cash market, unless stated differently in the Contract Specifications.

Clause 9

1. The positions that have not been closed until the end of the last trading day will be subject to cash settlement per differences.
2. The procedures and deadlines related to the settlement mentioned at 1 above, as well as the daily gains and losses adjustments are defined by LCH S.A. through an Instruction.

Clause 10

1. The margins due for open interest are set and published by LCH S.A.
2. LCH S.A., may calculate the margins due through portfolio analysis procedures, taking into account all the contracts in the same portfolio.
3. The valuation model to be used, the simulation assumptions and the parameters needed to calculate the margins in line with 2 above, as well as the changes relating to any of the elements mentioned above, are specified by LCH S.A., through an Instruction.

Clause 11

It is EURONEXT LISBON’s responsibility to set the rules that govern the contracts called *Single Stock Futures*, for all that is not covered by law, by CMVM regulations, by rules and instructions of EURONEXT LISBON or LCH S.A. or by these General Clauses or Contract Specifications.

Clause 12

These General Clauses and Contract Specifications will be effective from 14 April, 2020 onwards.
